Many Thanks to Mrs. Nancy Shakir and her Political Awareness and Action Committee members for a splendidly well done job on the elegant reception held for our most worthy lady, State Senator Wynona Lipman. Hosted by Mr. & Mrs. Williams of Continental House on September 30, 1980, the reception was certainly an example of team work between the Political Action Committee members and the members of the NCMW Newark Section. My deepest appreciation to each of you for your contributions, whatever they were, for it could not have been a success without each of you.
